Physics undergraduate at IPB University who coordinates community events and creates the social media content around them. Event Coordinator at Kita Bahagia (100+ participants) and Social Media Officer at Gerakan Pendidikan Berdampak (84.4K Instagram views in 30 days). Looking for Social Media and Event internships; available immediately, full-time on-site.

EXPERIENCE

- Social Media Officer · Gerakan Pendidikan Berdampak, South Tangerang

Apr 2026 – Present

 - Develop and execute the Instagram content strategy for a volunteer movement focused on children's literacy and character education
 - Plan the content calendar and write captions for volunteer-call flyers, program-report carousels, recap reels, and soft-news posts
 - Account reached **84.4K views in 30 days** with 683 followers; recap reels reach up to 1.8K views each
- Event Coordinator · Kita Bahagia, Jakarta

Feb 2026 – Present

 - Lead a community program for **100+ participants** as Project Leader, from planning through on-ground execution
 - Designed the program structure and event concept to fit community objectives
 - Prepared the budget plan (RAB) and coordinate third-party vendors and partners
 - Built the community website **kitabahagia.id**: my concept and design, coded with AI help
- Event Staff · POSF 2026 (IPB Physics Sports & Arts Festival), Bogor

Mar 2026 – Jun 2026

 - Supported the organization of a sports and arts festival for IPB physics students
 - Handled on-ground logistics and coordination during competition days
- Volunteer Teacher · Gerakan Mengajar Desa, Bogor

Dec 2025 – Jan 2026

 - Taught elementary students and supported foundational learning in a village community
- Mentoring Staff · Physics Gathering, Bogor

Oct 2025 – Nov 2025

 - Facilitated bonding activities between Physics Class of 61 and Class of 62
 - Introduced incoming students to the Physics Department through mentoring sessions
- Volunteer · Social & Educational Volunteer Programs, Indonesia

2025

 - Orphanage teaching, educational trips, and environmental conservation; helped with logistics, teaching assistance, and community engagement

EDUCATION

- IPB University (Institut Pertanian Bogor) · Undergraduate, Physics

Aug 2024 – Aug 2028 (expected)
- SMAS Kartika I-2 Medan · Senior High School, final score 91.30/100

Jul 2021 – Jul 2024
